RE: **CLÁR Funding Scheme 2018**

Dear Councillor

I wish to advise you that we are advertising the Clár 2018 Scheme in the Anglo Celt next week and details of the scheme and application forms are attached for your information.

There are 3 Measures attached to the scheme this year and the number of applications is strictly limited to 15 per Local Authority for Measures 1 and 2.

The Measures are:

Measure 1 Support for Schools/Community Safety Measure
Measure 2 Schools/Community Play Areas
Measure 3 First Response Support Measure (Applications are made direct to the Department)

I would be obliged if you would forward the forms to committees/schools who would be interested in applying for a grant under the above scheme.

Application forms and details are available at www.cavancoco.ie/community or by phoning Theresa Tierney at 049 4378587.

Please note closing date for receipt of applications is **4pm Wednesday 18th April 2018.**

Yours sincerely,

John Donehee
